Research Experience

Department of Political Science, University of California, Irvine

Graduate Student Researcher (*10 Months*)

Project: The Role of Design and Production Networks in East Asia Peace and Security. *Responsible for data gathering, data analysis, and data visualization on the global intermediate goods trade.*

Friedrich-Naumann-Stiftung für die Freiheit, Bonn, and d84 Intelligence Unit, Ankara

Independent Researcher (*12 Months*)

Project: A Quantitative Anatomy of Turkish Foreign Policy. *Responsible for data gathering, data analysis, and data visualization on Turkey's dyadic relations.*

External Fellowships

[1] University of California Institute on Global Conflict and Cooperation Dissertation Fellowship, IGCC, 2022 (\$25000). *Awarded in support of the dissertation project "National Power and the Structure of Global Supply Chains Trade."*

[2] Smith Richardson Foundation World Politics and Statecraft Fellowship, SRF, 2021 (\$7500). *Awarded in support of the dissertation project "National Power and the Structure of Global Supply Chains Trade." The funds will be used towards fieldwork in Japan, South Korea, and the US.*

External Funding & Awards

[1] Friedrich Naumann Foundation Research Grant, 2021 (€4000). *Awarded in support of the research project: “A Quantitative Anatomy of Turkish Foreign Policy.” The funds are being used towards offsetting research costs.*

[2] University of California Institute on Global Conflict and Cooperation Great Powers Summer Training Tuition Grant, IGCC, 2019 (\$3000). *Awarded in support of participating and presenting at the summer training program funded by UC National Laboratory Fees Research Program and hosted by the IGCC.*

Institutional Fellowships

[1] Pedagogical Fellow, Division of Teaching Excellence and Innovation, UCI, 2022 (\$2500). *Campus-wide. Awarded based on a record of excellent teaching, promising scholarship, and service to the University, department, and the disciplines’ professional community.*

[2] Summer Teaching Apprenticeship Program Fellowship, Division of Teaching and Excellence and Innovation, UCI, 2022 (\$5000). *Campus-wide. Awarded towards course design by a graduate student based on a record of excellent teaching, and service to the University and department.*

[3] Social Science Instructional Fellowship, School of Social Sciences, UCI, 2020 (\$2000). *Awarded to support online course design at UCI.*

Institutional Funding & Awards

[1] Long US-China Institute Graduate Student Research Grant, Long Institute, UCI, 2022 (\$880). *Campus-wide. Awarded in support of the dissertation project “National Power and the Structure of Global Supply Chains Trade.” The funds will be used towards fieldwork in Japan.*

[2] Thank A Teacher Program Recipient, Division of Teaching Excellence and Innovation UCI, 2022. *Awarded based on excellence in teaching.*

[3] ICPSR Summer Program in Quantitative Methods Tuition Award, Department of Political Science, UCI, 2021 (\$1800). *Awarded based on a record of promising scholarship to develop advanced statistical programming skills.*

[4] Summer Funding Award, Department of Political Science, UCI, 2021 (\$1195). *Awarded to support research activities over the Summer.*

[5] Thank A Teacher Program Recipient, Division of Teaching Excellence and Innovation UCI, 2021. *Awarded based on excellence in teaching.*

[6] Summer Funding Award, Department of Political Science, UCI, 2020 (\$1400). *Awarded to support research activities over the Summer.*

[7] Graduate Student Grant Award, Center for Asian Studies, UCI, 2018 (\$300). *Campus-wide. Awarded to support research project on supply chains.*

- [8] Associate Dean’s Fellowship, School of Social Sciences, UCI, 201(\$5400). *Awarded to support research activities and defray living costs.*
- [9] Summer Funding Award, Department of Political Science, UCI, 2018 (\$1000). *Awarded to support research activities over the Summer.*
- [10] Graduate Dean’s Recruitment Award, UCI, 2017(\$5000).
- [11] Best Thesis Research Award, EDHEC, 2016. *Awarded in recognition of the best research design and execution in the cohort of 2016.*

Teaching Experience

Department of Political Science, University of California, Irvine

Instructor of Record, PS11A: Political Analysis.

1 Quarter. Link to the syllabus.

Designed and taught an R integrated computational political science course in which students participated in coding workshops for gathering, wrangling, visualizing, and analyzing data, and developed and delivered a research project.

Teaching Assistant, PS41A: Introduction to International Relations.

1 Quarter.

Responsible for preparing lesson plans and running weekly discussion sections for 80+ students. Cross-listed with the Department of Global and International Studies.

Teaching Assistant, PS6A: Research Design.

1 Quarter.

Responsible for preparing lesson plans and running weekly discussion sections for 70+ students.

School of Social Sciences, University of California, Irvine

Teaching Assistant, SS10A: Probability and Statistics I.

1 Quarter.

Responsible for preparing lesson plans and running weekly lab sections with R integrated data analysis for 80+ students.

Teaching Assistant, SS10B: Probability and Statistics II.

3 Quarters.

Responsible for preparing lesson plans and running weekly lab sections with R integrated data analysis for 80+ students.

Teaching Assistant, SS10C: Probability and Statistics III.

2 Quarters.

Responsible for preparing lesson plans and running weekly lab sections with R integrated data analysis for 80+ students.

Teaching Assistant, SS3A: Computer Based Research in Social Science.

1 Quarter.

Responsible for running weekly virtual computer lab sections covering the basics of Microsoft Excel and R.

Department of Economics, University of California, Irvine

Teaching Assistant, ECON1: Introduction to Economics.

1 Quarter.

Responsible for preparing lesson plans and running weekly virtual and asynchronous discussion sections for 80+ students.

Invited Lectures

[1] “Contemporary Economic Interdependence, Cooperation, and Conflict” Guest Lecturer at LMU Politics of the Global Economy, LMU, CA., Winter, 2022.

[2] “Weaponization of Supply Chains in Great Power Competition” Guest Lecturer at UCI PS 149: East Asia Security, UCI, CA., Fall, 2021.

[3] “Decoupling Supply Chains?” Guest Lecturer at UCI PS 149: East Asia Security, UCI, CA., Spring, 2021.

[4] “Supply Chain Networks, Interdependence, and Conflict” Guest Lecturer at UCI PS 41A: Introduction to International Relations, UCI, CA., Fall, 2020.

[5] “Contemporary Interdependence and Commercial Peace” Guest Lecturer at UCI Political Science 219: North Korea Crisis and East Asia Security, UCI, CA., Fall, 2019.

[6] “Design and Production Networks of East Asia” Presenter at the Geo-Economic and Geostrategic Dimensions of Great Power Competition in the 21st Century Summer Boot Camp, IGCC, UCSD, 2019.

[7] “Global Value Chains and Conflict in East Asia” Guest Lecturer at UCI PS 219: North Korea Crisis and East Asia Security, , UCI, CA., Fall, 2018.

Mentorship Service

[1] Global Interconnect Peer Mentor, Graduate Division, UCI, 2022. *Provided mentoring to incoming international Masters and PhD students.*

[2] Peer Mentor, Competitive Edge Program, Graduate Division, UCI, 2021. *Provided mentoring to incoming first-generation PhD students.*

[3] Graduate Student Mentor, Department of Political Science, UCI, 2018. *Provided mentoring to an incoming international PhD student.*

Institutional Service

[1] Pedagogical Fellowship Hiring Committee, Division of Teaching Excellence and Innovation, UCI, 2022.

[2] Workshop Coordinator, Workshop on Active Learning Strategies, Division of Teaching Excellence and Innovation, UCI, 2022. *1 hour training for new teaching assistants.*

[3] Workshop Coordinator, Workshop on Student Learning Outcomes and Backwards Course Design, Division of Teaching Excellence and Innovation, UCI, 2022. *1 hour training for new teaching assistants.*

[4] Workshop Coordinator, Workshop on Diversity, Equity, Inclusion, and Universal Design for Learning in the Classroom, Division of Teaching Excellence and Innovation, UCI, 2022. *1 hour training for new teaching assistants.*

[5] Workshop Coordinator, Workshop on Navigating Canvas LMS, Division of Teaching Excellence and Innovation, UCI, 2022. *1 hour training for new teaching assistants.*

[6] Workshop Coordinator, Workshop on Student Communication Excellence, Division of Teaching Excellence and Innovation, UCI, 2022. *1 hour training for new teaching assistants.*

[7] Workshop Coordinator, Workshop on Equitable Grading, Division of Teaching Excellence and Innovation, UCI, 2022. *1 hour training for new teaching assistants.*

[8] Workshop Coordinator, Workshop on Effectively Connecting Students with Campus Resources, Division of Teaching Excellence and Innovation, UCI, 2022. *1 hour training for new teaching assistants.*

[9] Workshop Coordinator, Workshop on Microteaching, Division of Teaching Excellence and Innovation, UCI, 2022. *1 hour training for new teaching assistants.*

Professional Development
